

# HOUSE RULES

1. Garbage must be taken out by the guest and deposited in the public containers that are available for it on the street.
2. No loud music or excessive noise between 10 pm and 9 am.
3. Absolutely **no** smoking in the rooms, any smoking in the rooms will result in immediate forfeiture of the 150€ deposit. It is prohibited to throw cigarette butts out the window or over the side of the terrace. In the case of wanting to smoke, we recommend using the terrace located on the 5th floor and make use of the ashtrays provided around the rooftop.
4. Respect the pool's rules indicated on the 5th floor, at the entrance of the pool itself. Please note that the use of glass in the pool area is **COMPLETELY FORBIDDEN**. We provide plastic glasses in the apartments for your convenience.
5. Children or teenagers under 14 years of age cannot use the elevator without being accompanied by adults or without supervision.
6. Please, close all windows and patio doors every time you leave the apartment for your own safety and for the correct use of the air conditioning system. The air conditioning system does not work if the windows or patio doors are not correctly closed in your apartment. We kindly ask guests or visitors to ensure the main entrance of the building is closed upon exiting.
7. Please, leave the apartments and their furniture in the same conditions that you have found it on arrival.
8. We highly appreciate it if you turn off all appliances and lights every time you leave the apartment, in order to minimize energy consumption, as well as turning off the taps when the water is not being used.
